SKAGEN SKIPPERSKOLE RADIO DEPARTMENT

Skagen Skipperskole offer AIS and GMDSS Radio Surveyor Course for Service Suppliers engaged in the inspection and testing of radio communication equipment and Automatic Identification System (AIS) on Vessels.

We have a partnership with DANPHONE A/S, Denmark, the manufacturer of FUTRONIC MK II Test Box.

The course is audited and approved by DNV Sandefjord Norway.

After succeeded course, the participant will receive a Skagen Skipperskole certification with DNV logo.

For further information please call Skagen Skipperskole.
